# Steps to Redeem Your Amazon e-gift card.

1. You will need to redeem your points in the Dedicated Donor Reward Store.
2. You will then receive an email from Carter BloodCare that looks similar to the image below.

3. You will need to copy the **"Security Code"** and then click the Redemption URL.
4. Once in the redemption URL, you will enter the **"Security Code"** in the appropriate box.
5. After the **"Security Code"** is entered, you will receive a **"Claim Code."**

Enter claim code

[Apply to your balance]

The entire gift card amount will be stored in your account, and it never expires.

Limitations: Once redeemed, your gift card balance cannot be transferred to other accounts or used to purchase other gift cards.

6. This **"Claim Code"** is what you enter into Amazon: **"Redeem The Gift Card."** Show below.

7. Once you have entered the **"Claim Code"** and applied it to your balance, you are ready to begin spending your gift card funds.
